

Standards & Options

Our Standards are High

A Legacy Organ is built to high standards and we think you'll like what comes standard on every model. Each and every Legacy includes the following materials and accessories in the base price.

- Auto-on LED music rack, over-music and pedal lights with dimmer
- Bar graph indicators for: Crescendo, Expressions
- Adjustable organ bench
- Console clock (analog or digital)
- MIDI ports and control panel
- Playback-record sequencer
- Digital user interface
- Multiple user profiles
- 200 memory levels with USB back-up

We have given you some choices to make as well, the following choices are available within the base pricing.

- Console shell species - white oak, red oak, mahogany, walnut, cherry
- Drawknob choices - pao ferro, walnut, ebony, maple
- Key materials - wood, synthetic, satin synthetic

If you'd like to add to the base specification, we offer the following add-on items with individual pricing.

A La Carte add-ons:

- Zimbelstern on drawknob with thumb & toe piston reversibles
- Additional thumb piston
- Additional toe piston
- Additional voice with drawknob (\$ varies by voice)
- Tracker touch keys
- Chimes
- Bench back
- Bone or ivory key coverings
- Motorized bench
- Console dolly
- Integrated console casters

If you are interested in an option that isn't listed here, just ask. We will work with you to design your perfect instrument.
